EUROPE TOUR OF HIGH POWER

a report

High Power

A film made by people's participation for public awareness of nuclear threats to human life and nature is based on the sufferings of India's first nuclear power project at Tarapur. This film received Yellow Oscar Award in Short Documentary section this year in Uranium Film Festival at Rio-de-Jeneiro, Brazil. On the invitation from different groups in Germany and France film director and nuclear activist Pradeep Indulkar was on Europe tour since 12, September to 22, October. In this period High Power was screened in 28 different cities of Germany and France.

- Talk on Jaitapur anti nuclear struggle against proposed nuclear power project in Organic Fare at Guichen, France

Major issues discussed in the sessions of discussions after show

1. History of nuclear power in India.
2. Connection of Nuclear armaments and nuclear power in India.
3. Differences and similarities between the situation in surrounding villages of nuclear power plant in India and in Europe.
4. Indian anti nuclear struggle.
5. Struggle of Jaitapur people's movement against proposed nuclear power plant.
6. Connections of Germany and France with proposed Jaitapur Nuclear Power Plant.
7. Contribution and networking of European anti nuclear groups with Indian anti nuclear movement.
8. Future of anti nuclear movement in India.

Solidarity actions in this tour

1. Rally in support of Jaitapur anti nuke struggle at Duisburg on 14th September.
2. Speech in support of Jaitapur and Mithi Viridi anti nuke struggle in Duisburg rally.
3. Speech in Wendland on 23rd September.
4. Hundreds of German and French people signed banner saying "Stop Jaitapur-Down with Areva"
5. German and French anti nuke activists started e-petition to change the decision of Jaitapur and all new proposed nuclear power projects in India. Also handed over signed copies of the same.
6. German anti nuke activists flagged 'Stop Jaitapur-Down with Areva' banner in Hamburg port on 20th October.

Outcomes of the tour

- a. Jaitapur anti nuke struggle got good exposure in these two countries.
- b. Networking possibilities between European anti nuke groups and Indian anti nuke movement.
- c. Solidarity actions in these two countries in near future in support of Jaitapur and other anti nuke struggles.
